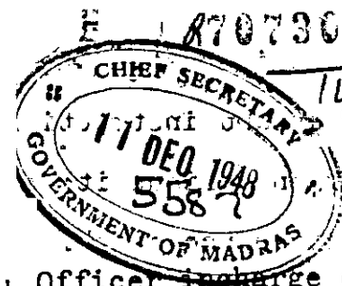
R.C.49/48 C.O. 28 Dated 8.12.48.

From K.N.Anantaraman Esq.,I.C.S.,
Collector, Bellary.

To,
The Chief Secretary to Government,
Fort St.George, Madras.



Sir,

Sub:- ESTABLISHMENT- Bellary - Special Officer incharge of Sandur Administration - Two Upper division clerks to under S.O. - One Upper division clerk to work in the Collector's Office - Retention till 31-3-49 -Sanction Requested.

1). G.O.Ms. No.2217 Rev.,Department dated 15.9.48.
2). G.O.M.S.No:2263/Rev.Department dated22.9.48.

1) In G.O. Ms.No.2217 Revenue Department dated 15.9.48 sanction was accorded for the appointment of two upper division clerks to work under the Special Officer incharge of Sandur Administration, for a period of one month. The Correspondence of the State has increased abundantly and the Special Officer found that the State clerks are not of much use at all to him. Also instances have come to my notice where some of the State clerks have tried to be unfaithful. For example the clerk incharge of the Magisterial records have given away some of the magisterial records to Mr. Narasimha Rao without the knowledge of the Special Officer ,though of course the records were recovered later. I have therefore continued the two upper division clerks even after the expiry of the period of sanction. I request that my action in having continued them beyond the period of sanction may be approved. The Special Officer has represented to me that the services of these two upper division clerks are most essential for him to carry on day to day work. I therefore request that sanction may be accorded for the continuance of these two upper division clerks till 31.3.1949, as even after the merger of the State, there will be lot of work to be attended.

2) Secondly, in the G.O. second cited above, sanction was accorded for the employment of an upper division clerk in my Office for a period of three months. This period of sanction expires by 15.12.48. As most of the correspondence relating to Sandur/I have appointed my camp clerk who is also a Stenographer,

for this post. The file relating to Sandur is already over 1400 pages and instructions have to be given to the Special Officer every day on various items of work to be attended to. I find that the continuance of this upper division clerk till the end of the financial year is quite essential in view of the confidential and voluminous nature of the correspondence. I therefore request that the Government may be pleased to accord sanction for the continuance of this upper division clerk till 31.3.1949. I am continuing him beyond 15.12.48 in anticipation of sanction from Government. I request that my action may be approved.

3 Further, as this upper division clerk is also a Stenographer and I am usually dictating to him the drafts every day both for the Sandur work and also for other work. I request that sanction may be accorded to pay him the usual shorthand allowance admissible under rules.

4 I request that early orders may be passed and communicated to me in the matter. The above staff will be disbanded earlier if the necessity for their retention ceases.
